Gained 23-Pounds in Weight as Result of Taking Powley's Liquified Ozone.

. I have pleasure in testifying to the benefit I have received from the use of Ozone. I have had serious trouble with my kidneys for about four years, and was generally run down from overwork, my nervous system being quite shattered.

About four months ago I began using Ozone, and to-day I am quite a new man in every respect. Kidney trouble entirely disappeared, and my system generally is thoroughly built up, in fact, I have gained 23 pounds weight.

I know of numerous cases where I have recommended Ozone, and in none of which it has failed to do what was expected of it.

BOY ALONE DIVED TO DEATH.

Pale, Anæmic

Young Women

Arcemia, or thin, watery blood, is increasing to an alarming extent among the school girls and young women of our land. Pale gums, tongue and cyclids, muscular weakness, inability for exertion, deficient appetite, impaired digestion, short breath, palpitation of the heart, attacks of vomiting, swooning, bysterin and irregularities of the feminine organs are among the unmistakable symptoms of anamia or poor quality of blood.

. Anamic persons are frequently said to be going into a decline, and as a fact do usually contract consumption or some fatal constitutional disease if they neglect to restore normal vigor. Fresh air, sunlight, moderate exercise and the regu lar use of Dr. Chase's Nerve Food after each meal will restore new vitality to the body and new color to the cheek of any aniemic person. Gradually and thoroughly it forms new red corpuscies in the blood and wins back perfect health and

Health and Vitality For the Old People

Wasted Muscles, shattered nerves and failing s'rongth may result from old age as well as from disease. As old age creeps on vitality is lowered, the heart heats more allowly, the blood becomes thin and watery and the power of resistance is lessened. It is the old people above all others who require the new life and energy which comes with the use of Dr. Chase's Nerve Food.

Scores and hundreds of people depend on Dr. Chase's Nerve Food to restore their exhausted nerve force and replace their wasted tissue. It calms and quiets the nerves, gradually and certainly enriches the blood and builds up the system, and makes old people feel sgain the thrill of new life and vigor in their shrivelled arteries. From childhood to old ago this famous Food Cure is the greatest blessing which medical science has bestowed on mankind.

Health and Vitality. For the Old People

Wasted Muscles, shattered nerves and failing strength may result from old ago as well as from disease. As old age eps on vitality is lowered, the heart heats more allowly, the blood becomes thin and watery and the power of resistance is lessened. It is the old people above all others who require the new life and energy which comes with the use of Dr. Chase's Nerve Food.

Scores and hundreds of people depend on Dr. Chase's Nerve Food to restore their exhausted nerve force and replace their wasted tissue. It calms and quiets the nerves, gradually and certainly enriches the blood and builds up the system, and makes old people feel again the thrill of new life and vigor in their shrivelled arteries. From childhood to old age this famous Food Cure is the greatest blessing which medical science has bestowed on mankind.

Health and Vitality For the Old People

Wasted Muscles, shattered nerves and failing strength may result from old age as well as from disease. As old age creeps on vitality is lowered, the heart heats more slowly, the blood becomes thin and watery and the power of resistance is lessened. It is the old people above all others who require the new life and energy which comes with the use of Dr. Chang's Norre Food.

Scores and hundreds of people depend on Dr. Chase's Nerve Food to restore their exhausted nerve force and replace their wasted tissue. It calms and quiets the nerves, gradually and certainly enriches the blood and builds up the system, and makes old people feel again the thrill of new life and vigor in their shrivelled arteries. From childhood to old age this famous Food Core is the greatest blessing which medical science has bestowed on mankind.

Health and Vitality For the Old People

Wasted Muscles, shattered nerves and failing strength may result from old age as well as from disease. As old age creeps on vitality is lowered, the heart heats more slowly, the blood becomes thin and watery and the power of resistance is lessened. It is the old people above all others who require the new life and energy which comes with the use of Dr.

Scores and hundreds of people depend on Dr. Chase's Nerve Food to restore their exhausted nerve force and replace their wasted tissue. It calms and quiets the nerves, gradually and certainly enriches the blood and builds up the system, and makes old people feel again the thrill of new life and vigor in their shrivelled arteries. From childhood to old age this famous Food Cure is the greatest blessing which medical

12 years' acquaintance makes Dunlop Tires your trusted equipment.

It ought to mean something to you to have your bicy cle fitted with Tires which you know are all right

The endless wire in the Dunlop cover will not stretch like a rubber band—rubber expands and blows off—while the Dunlop wire grips and holds faster when you inflate the tire.

Health and Vitality For the Old People

Wasted Muscles, shattered nerves and failing strength may result from old age as well as from disease. As old age creeps on vitality is lowered, the heart heats more slowly, the blood becomes thin and watery and the power of resistance is lessened. It is the old people above all others who require the new life and energy which comes with the use of Dr. Chase's Nerve Food.

Scores and hundreds of people depend on Dr. Chase's Nerve Food to restore their exhausted nerve force and replace their wasted tissue. It calms and quiets the nerves, gradually and certainly enriches the blood and builds up the system, and makes old people feel again the thrill of new life and vigor in their shrivelled arteries. From childhood to old sge this famous Food Cure is the greatest blessing which medical science has bestowed on mankind.

Health and Vitality For the Old People

Wasted Muscles, shattered nerves and failing strength may result from old age as well as from disease. As old age n vitality is lowered, the heart heats more slowly, the es thin and watery and the power of resistance is d. It is the old people above all others who require the new life and energy which comes with the use of Dr Chase's Nerve Food.

pres and hundreds of people depend on Dr. Chase Nerve Food to restore their exhausted nerve force and replace and certainly enriches the blood and builds up the system, and old people feel again the thrill of new life and vigor in their shrivelled arteries. From childhood to old sgo this ous Food Cure is the greatest blessing which medical science has bestowed on mankind.

ITS SIGNIFICANCE.

HEADACHES.

HEADACHES.
Injudicious feeding, rich food stuffs, and a thousand and one causes are enough to send the poisonous matters to the delicate brain, cells, through the blood, and produce headaches. Powley's Liquified Cone will take the poison out of your blood and then heal your stornach's action. Take the dose every wenty minutes if the headache is severe.

"Then, are winey. Law yet probled."

"Since my intancy I have been trouble with billous headscher: I need to sufferendially, especially during the segment months. I ductored three years with meanily physician, but reverved no benefit
